

On Harvest Sunday, we celebrate the gifts of God's good earth which sustain us, as well as the labour of those who grow, harvest and prepare these gifts so we can thrive. Today let us share our own gifts with you, offered so that the ministry and mission of Christ's church can thrive.

Gracious and generous God, we offer our gifts in gratitude for all we receive from your hand. Bless and multiply them, just as Jesus multiplied a few loaves and fishes to bless others. Use them so others can taste your love in our community and in your world, through the grace of Christ our Lord. Amen
